

Kincaid 10th Annual Coyote Classic

Saturday, September 10th

At: Kincaid Elementary

Grades K-6

Cost: Free !!!

Welcome to the 10th annual “COYOTE CLASSIC”. As always, this run is designed to give kids another chance to get ready for the fall jamboree’s that come in the following weeks. It also allows for socializing with kids their own age from other schools in the Anchorage school district. The breakdown will be as follows:

K-2 ¾ mile – 10am

3-4 1.5 miles – 10:30am

5-6 1.5 miles - 11:00am

Like always, the 5th – 6th grade race will be a team competition. Any school that has 5 or more runners, boys and girls combined, will have the chance to win the team traveling trophy to take back to their school for a year. We will take the top five runners from each school and add the place they finished together. The team with the lowest score will win the race. The trophy will have the name of the top five runners from your school, the schools name, and the year you won the race engraved on the front for everyone to see. Then, the following year, your school will get the chance to defend the trophy.

PRESENTING SPONSOR

We are happy to say that Healthy Futures is on board with us again this year and will be supplying medals for each of our K-6 runners. Runners can also use this race as an event towards healthy futures prizes.

So get your team together and come on out to the Kincaid Coyote Classic, a great warm-up for the jamboree's!

Have a great XC season!!

Tim Akin
